

Benefits of Associateship

The first step

Associateship is a step in the right direction towards becoming a Qualified Member of the Institute, which is a mark of professional recognition.

Professional Development

As a member you will receive discounted access to professional development courses, the annual conference, weekend workshop, and seminars, all invaluable opportunities to gain new skills and to network with fellow professionals.

Stay abreast of change with the informative, bi-monthly ITI bulletin (free to members), which features reviews, recruitment, advertising and updates on the full range of developments in the language services industry. Participate in regional groups as well as language and subject network activities, run by members themselves.

If you are a relative newcomer to the profession, you will be welcome at all the Institute's events and activities and benefit from contact with established professionals and many networking opportunities

Benefits for Members

Directory of Members

If you decide to apply to become a Qualified Member at some time in the future when you have more experience in your chosen field, and are successful in your application, your details will be added to our website Directory of Members. Entry in the directory as an MITI or Corporate Member widens the range of your potential clients within private and public sector organisations, helping to market your services. It also gives access to a network of colleagues and can facilitate cross-referral of assignments.
