AS OUR NEW GERMAN-ENGLISH TRANSLATOR [FIXED TERM OF 2 YEARS]

CURRENTA, a company owned by Bayer and Lanxess, is the leading service provider to the chemical and related industries. We operate and manage CHEMPARK, probably Europe's most attractive chemical park with sites in Leverkusen, Dormagen and Krefeld-Uerdingen. Our aim is to provide our customers with the optimum environment for research, development and production.

JOB DESCRIPTION

Based in Leverkusen, Germany, the Language Service of Currenta GmbH & Co. OHG is the competence center for the translation of demanding technical, scientific, financial, corporate and legal texts, primarily for customers in the Bayer and Lanxess groups. Our translators assume a large degree of responsibility for the fields in which they work, producing translations themselves and reviewing work assigned to external providers. However, the ability to work in a team is essential.

YOUR QUALIFICATIONS

Having obtained a university degree in German and/or translation, you already have several years of experience as a translator in industry or similar. You have an excellent understanding of German and a skilled use of the English language. The ability to work from one or more other languages would be an advantage. Familiarity with translation memory software is essential.

OUR OFFER

We offer a competitive salary with a bonus based on corporate performance. Other benefits include a company pension plan, help in arranging childcare, and opportunities for continuing personal and professional development. The Düsseldorf/Cologne region is undoubtedly among the most attractive in Germany, with excellent living conditions and a wide range of sporting, cultural and leisure activities.

YOUR APPLICATION

If your background and personal experience fit this profile, please submit your application in English to bewerbung@currenta.de quoting Ref. No. CUR049
