## Awards/recognitions

- Graduate of **Goldman Sachs 10,000 Small Businesses** programme
- Corporate membership of the Institute of Translation & Interpreting (**ITI**) and full member of the Association of Translation Companies (**ATC**)
- Membership of the regional North-West Translators' Network (**NWTN**)
- Regular guest speakers and panellists at various institutes of higher education
- Strong industry presence through social media activity and journal publications
- Active involvement with the work of the UK's National Network for Translation (**NNT**)
- Frequently nominated, shortlisted and highly commended for regional and international awards

We communicate our customers' local messages to their global markets, enabling them to sell more of their products and services to increase their market share and make their businesses more profitable. Our USPs quality, time and capacity not only set us apart from the competition but also enable us to provide the key solutions our customers are looking for:

- We can always be relied upon to make delivery on time.
- We recruit only the very best people to our team through a demanding selection process.
- Our services are certified to **ISO 17100:2015** thanks to comprehensive procedures and processes.
- Project managers have more chance of placing a job with us due to our team-based service.
- We eliminate the need for multiple vendors through our translation-plus-revision service.
