## 2017.2 -present Freelance interpreter

As a freelance interpreter, I work with translation agencies and clients directly and provide language support from Chinese to English and vice versa. I am most of the time a conference interpreter and I also support private client and follow short-term projects with them. Here list some of the conferences/events I have participated as simultaneous (SI) or consecutive interpreter (CI) covering different fields:

---

Culture/Arts/ Education	Q&A sessions of on-line Psychotherapy courses (CI)
	British Council “Open Door” project seminar (SI)
