

What does ITI do?

Membership

ITI offers a range of memberships designed to support translators, interpreters and all those involved in the language services sector at every stage in their career.

Professionalism

ITI membership provides recognition to individual and corporate members alike, and demonstrates commitment to quality and the highest professional standards.

Voice of the profession

ITI represents the views of its members and the profession in many different ways, including liaising with government and other professional bodies.

Community and networking

The #ITICommunity comprises 40 affiliated networks and over 3,000 individual and corporate members

Training and development

ITI organises regular events for members and non-members

Knowledge hub

ITI's website is an information hub for the industry

Qualified Members are listed in the ITI Directory

It has over

7,000

searches every month
