### ***Personal Achievement***

- \* In my Translation/Interpreting Career, I have been honoured to work as an interpreter at 10 Downing Street for British Prime Ministers (David Cameron, Theresa May and Boris Johnson) when meeting with Arab leaders and Prime Ministers.

\* In my Education Career, I had written in the 1980s six textbooks of Science (in the English language) for Lebanese students of the age range 14-18. My academic results have always been outstanding as I had been the top student in my groups at all education levels (primary, secondary and university) and in various subjects, particularly in Languages, Maths and Science.
