Testimonials

"In addition to an obvious passion for what he does, his immense knowledge and evident experience in this field shone through. He delivers high-quality patent translations each and every time."

"All the qualities you want in a freelance translator."

"He delivers top-quality work on time, is quick to reply to any queries and is always willing to discuss specific requirements or points of difficulty."

"It's been great having Dean on our side with this work. Dean's translations read exactly as they should, both in terms of patent-speak and in his interpretation of the technical terminology."
